Licence for FREE Personal Use

Personal Usage, it's free for creatives! 'Free for personal use' means that it can't be used for any commercial purpose. This means that you would be OK to use it for posters that were just for your own amusement or for your own wedding invitations, for instance.

Licence for Commercial Use

A Commercial license is the standard licensing option for organizations and business entities. Licenses are purchased by the company and can be used by any single person within this organization.

You need one (1) desktop license for every workstation the font is installed on. With it you can create all the prints, logo, social media, website, app and non-embedded material you want. One (1) license(s) purchase is for any kind of project, but for one workstation.
